

Welcome to Confirmation 2018-2019!

We're excited to share some changes to the program this year. The big news? By popular demand: We're finally moving to **Wednesdays from 6-7pm!!** (See the attached schedule.) We hope that this regularly set schedule will provide a stable groundwork for learning and participation. Sunday class with Kitty will happen during the Sunday School hour two times a month.

Confirmation is an optional two-year learning experience for students in grades 7 and 8 full of hands on Bible time, large and small group activities, food, spiritual practices, servant opportunities, retreats, and more. It's both serious and silly, fun and faithful, relational and relevant, formed around the promises made in Baptism. In fact, the Rite of Confirmation is actually, officially "The Affirmation of Baptism." This is the time your student gets to say, "You know what? All that stuff that was read when I was baptized? I totally believe it!" We hope you and your student will participate!

Confirmation Requirements:

- Attendance and participation at 85% of Wednesday Classes.
- Family worship attendance.
- 20 worship notes/year.
- Sunday Morning CwK (Confirmation with Kitty) Sessions. Schedule coming soon!
- There is no Wednesday confirmation class during Lent. However, family attendance at Soup Supper and Worship is *strongly* encouraged.
